

## TAYSIDE AND CENTRAL SCOTLAND TRANSPORT PARTNERSHIP

14 DECEMBER 2010

## ANNUAL REPORT 2009/10

## REPORT BY DIRECTOR

This report seeks the Partnership's agreement to delegate authority to the Executive Committee to approve the Annual Report 2009/10 for publication and submission to Scottish Ministers.

**1 RECOMMENDATION**

- 1.1 That the Partnership agrees to delegate authority to the Executive Committee to approve the Annual Report 2009/10 for publication and submission to Scottish Ministers.

**2 DISCUSSION**

- 2.1 The Transport (Scotland) Act 2005 requires that Regional Transport Partnerships publish and submit to Scottish Ministers an Annual Report on the performance of their functions.
- 2.2 It had been the intention to submit a Draft Annual Report, summarising progress in developing and delivering the Regional Transport Strategy and other activity during 2009/10, for approval at this meeting. However, the severe disruption to work schedules caused by the recent winter weather has prevented completion of the Report in time for reporting. It is, therefore, proposed that authority to approve the Annual Report 2009/10 is delegated to the Executive Committee.
- 2.3 When published, the Annual Report will be made publicly available on the Partnership's website and copies will also be made available to all key stakeholders, including constituent Councils, Community Planning Partnerships, Health Boards, transport operators, business organisations, Regional Transport Partnerships and other relevant organisations.

**3 RESOURCE IMPLICATIONS**

- 3.1 The costs of publishing and distributing the Annual Report are met from the approved 2010/11 Revenue Budget provision for Communications.
